

Certificate III in Farriery—Course Overview

The Certificate III in Farriery is a nationally recognised program.

An apprenticeship is usually 4 years long. Recognition of Prior Learning and/or current competencies may be granted and may reduce the apprenticeship term.

Apprentices learn on the job with their employer, with practical skills development workshops with Educational Services & Consultants complementing the on job skills acquired.

Horse shoe manufacture and horseshoeing procedures will be covered in a workshop format.

Students will learn the skills necessary to manage personal business affairs and promote small business management.

There is a strong emphasis on workplace health & safety and the development of horse handling skills in

What is an apprenticeship?

Apprenticeships are a smart way to recruit and train employees to meet the current and future needs of your business.

Apprenticeships are open to men and women 15 years of age and above and can also be school based.

Apprentices and Employers will need to enter into a formal training contract that leads to a nationally recognised qualification.

Employers of apprentices are required to assist and supervise work-based training, pay wages and provide entitlements, provide a safe working environment and release their apprentice from work to participate in off-the-job training with Educational Services & Consultants Pty Ltd.

Desirable qualities of a farrier

Physically strong and agile

Unafraid of horses

Good communication skills

Likes outdoor work

Dedicated to the service of horses and horseshoeing

How much do I need to pay my apprentice?

Employers will need to contact:

Wageline on 1300 655 266 (for WA Awards) or

Fair Work Australia 13 13 94 (for Australian Government Awards)

**For further information, please contact
ApprentiCentre on 131 954.**

Incentives and Allowances

For employers:

There are a number of incentives currently available to eligible employers of apprentices. Each incentive has a number of eligibility criteria that will be assessed by an ApprentiCentre.

Some examples of incentives include:
Commencement, Completion, Mature Aged Workers and Australian School Based Apprenticeship Incentives.

For apprentices:

Incentives available may include help to reduce the cost of training such as the cost of tools for some trades, Trade support loans, and a Living Away from Home Allowance if they have to move away from home. Government Eligibility criteria applies.

**For further information, please contact
ApprentiCentre on 131 954.**

ApprentiCentres are contracted by the Australian Government to deliver Australian Apprenticeships Support Services which includes providing information and assistance to Employers, Apprentices and administering the Australian Apprenticeships Incentive Program.

How will Educational Services & Consultants help Employers?

We will:

- Assist you to contact and liaise with an ApprentiCentre to register your formal training contract;
- Negotiate a training plan between you and your apprentice;
- Provide all the off-the-job training and assessment for your apprentice, including granting any Recognition of Prior Learning and/or current competencies;
- Provide ongoing support to you and your apprentice with any issues that may arise to ensure that training stays on track;
- Visit your workplace at negotiated times during the apprenticeship to monitor training; and
- Issue a nationally recognised training qualification to your apprentice.

Where does off-the-job training take place?

- We can train your apprentice at your workplace, or apprentices can attend a series of workshops at locations determined by Educational Services & Consultants.
- Apprentice's are also expected to complete a variety of self-paced learning modules with the support of Educational Services & Consultants.
